## WORK EXPERIENCE

### INTERN

Pie Infocomm

06/2021 - 07/2021

[ Achievements/Tasks  
- Successfully completed Intership at PIE INFOCOMM PVT. LTD. on practical training of Java. Assisted and trained by the senior Java developers in the company, I got a good idea on software development and also real time experience, which is really helping gain more and more knowledge on software development as the days are passing. This intensive Internship program made me more confident on not just simply developing a software but developing it efficiently. ]
